Report of the Department of Taxes and Assessments—Real Estate, Personal Property and the Taxation—The New City Prison.

There was another dull day among the officials and politicians about the City Hall yesterday, and the various boards and committees acted quite listlessly. The Board of Assistant Aldermen met at two o'clock and adjourned again for a week. The Board of Estimate and Apportionment should have assembled at the same hour to take up the question of making an appropriation for clerk hire for the Commissioners of Accounts, who are now engaged in examining the books of the Finance Department, but they did not get together and of course nothing was done.

The Commission to locate and establish a new city prison and bridewell in the place and stead of the present Tombs prison, met at four o'clock, the Board consisting of the Mayor, the Comptroller and the President of the Board of Aldermen. It was expected that the special agent, appointed at the last meeting to examine proposed sites and ascertain valuations, would make his report, but after assembling no formal action was taken. The Commissioners then adjourned out to make a personal examination of proposed localities, and a final and definite report will be made to-day. The law requires that it shall be determined on or before the 15th inst.
